

Meet the Artist for an open reception during ArtExpo NY 2018 in midtown Manhattan on Saturday, April 21, 2018 from 5-7pm at FOTO SOLO booth F432.

Award-winning photographer Michel Leroy will be on-site to present ALCHEMY, an exhibition chronicling a year long photographic project that explores the tension between sensuality and physicality through vivid Black and White images of athletes in moments of sculptural balance and graceful movement.

There will be a free raffle for a one-of-a-kind custom skateboard deck, signed by the artist, emblazoned with one of the signature images in the ALCHEMY series given away at the reception. For a chance to enter the drawing for this unique piece stop by FOTO SOLO booth F432 during ArtExpo NY 2018 any time leading up to the reception on Saturday, April 21, 2018 from 5-7pm. You do not need to be present to win.
